# Scope of the Journal

ISSN: 1744-2303 (Print), ISSN: 1744-2311 (Online)

*IJIOME covers continuing education and lifetime learning, mainly focusing on information systems and operations management subjects, providing high-quality knowledge advancement to researchers and educators. Considering globalisation and digitalisation, developing suitable and innovative training strategies, techniques and tools for effective learning is paramount for organisational competitiveness. Although IJIOME's core areas are information systems and operations management, we welcome contributions in related domains such as HR management, organisation studies, supply chains and sustainability, as long as their main focus is on learning/teaching.*

## Topics covered include:

- Continuing education/lifetime learning
- Curriculum design/development
- Distance learning strategies/techniques/tools
- E/web-based/distance learning, online teaching
- Government/industry/consultant participation
- Group work, case studies
- Industrial projects/visits, virtual tours
- Innovation in learning
- International comparisons
- Learning through research
- Pedagogical issues, knowledge management
- Role of publishers/text book authors
- Teaching quantitative techniques/models
- Team teaching
